Who We Are

SAFE is

- A 501c3 nonprofit charity that directly helps very low income seniors
- 100% volunteer nonprofit
- 97% of donations go to the recipients (the other 3 percent go towards tax preparation, insurance and office supplies).

Our Goal:

To rehabilitate homes to prevent further deterioration and future high-cost repair/replacement costs.

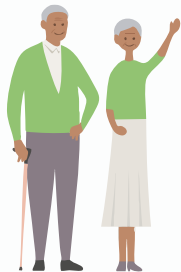

Who We Help:

SAFE is focused on providing assistance to elderly residents who qualify under the Federal and State guidelines of extremely low and acutely income. Emphasis is placed on those with the following attributes:

- 1) Extremely & acutely low income
- 2) Below poverty level as defined by Federal and State guidelines
- 3) Disabled and within the guidelines above and Veterans

Our primary beneficiaries:

- All who were systematically denied income opportunities due to the customs of their generation
- Veterans who sacrificed their income earning years to serve their country

SAFE'S Mission

is to help as many seniors as possible each year to live in a safe home environment by providing the services we offer.

How We Help

SAFE has distributed over \$1,000,000 in Federal and private grants for major maintenance items benefiting its target demographic.

Items include:

- New Roofing
- HVAC systems
- Energy Efficient Windows
- Wildfire Safety/Preparation and power outage planning
- Information and Resources relevant to seniors 62 and over.

Donations are used to increase our budget to help more seniors in our communities.

We use local contractors to preform the replacement/repairs. We build a community working together to make a difference.

SAFE's total operating costs are 3% assuring maximum pass-through grants and donations.
